Interclub Tournaments

The SMGA participates in 13 Interclub events throughout the year. These events provide opportunities for us to play nine courses in the west Houston area and enjoy friendly competition with other golf clubs. Teams are selected for each event so all interested golfers have a chance to join in the fun.

Weekly Play Day

Play Day occurs each Wednesday morning there is no tournament scheduled. The goal is to encourage members to play fun but competitive golf and build camaraderie.

Advance sign-up is not required. Just show up and pay a nominal entry fee. Cash is paid out to the top 3 players in each of two flights.

Golf Clinics

SMGA members may participate in periodic golf clinics conducted by the teaching staff of Sweetwater's Golf Academy. Clinic topics include:

Putting

Chipping & Pitching

Bunker Play
